[AIIA Salary Survey](#)

The AIIA Remuneration Report for the Information, Technology and Telecommunications Industries (formerly the AIIA Tech Sector Survey) was established in 1988 and covers a broad range of technical and non-technical roles in the information and communications technology sector.

Results are based on the salaries and benefits information of 99,025 individual employees from 567 organisations with comprehensive remuneration and benefits tables published for over 496 separate positions.

“Skills come and go and in-demand roles change quickly. Learn what skill sets will help you get noticed by hirers.”

[Hudson 2021 Australia Salary Guides](#)

Access salary data for over 15 professions. How much will you need to pay to attract and retain top talent? Our salary guides contain the latest salary data to help you secure the right people and ensure high performers stay and continue to help drive business performance.

[Edith Cowan University Salary Rates and Allowances](#)

Salary rates and allowances for academic and professional staff are outlined in the Edith Cowan University Enterprise Agreement 2017 as well as in the Guide to Allowances and Recognition Payments. Salary rates and specific allowances are negotiated between the University, employees and relevant unions.

[Page Personnel Talent Trends 2021: Australian Salary Guide](#)

We've created Talent Trends 2021, a new report that goes above and beyond salaries, encompassing trends and data around general recruitment, flexible work arrangements, digital workplace changes, diversity, inclusion, and more.

We surveyed 12 Asia-Pacific markets, and received responses from more than 5,500 businesses and 21,000 employees, many of which were directors or CXOs. You'll also find information around specific hiring trends in Australia for 2021.

Our findings are fascinating and insightful, and should remain a reliable source of market sentiment for multiple industries across Australia and the Asia Pacific region for 2021.

[Adecco Australia 2021 Salary Guide](#)

Through a mixture of expert local knowledge and a unique understanding of our wide network of candidates, we've put together a snapshot of the labour market, to help businesses secure the right people.

In such a competitive market, it can be a real challenge attracting talent to your business — competition for the best candidates is high. Our guide aims to help you better understand the current landscape and identify the right salaries to pay so you can recruit and keep the best talent.

Do you know how much you should be *getting paid* in your role?

Salary calculators can *forecast your salary in 2021* and compare similar roles

[The Creative Store Australia Salary Survey 2021](#)

Our 2021 salary review is a guide on how the industry is performing - a gauge on the Australian market. Figures are based on the candidates we meet, their current salaries and their skills vs salaries. This combined with our client salary expectations, gives an overall market expectation.
